Alla som sökt få fram resultat från OS 1920 vet hur svårt det är. Det gavs aldrig ut någon Officiell Redogörelse. Långt senare tog belgierna fram en maskinskriven rapport. Denna är emellertid mycket bristfällig. Många uppgifter och resultat saknas och den innehåller alltför många felaktigheter. Bill Mallon har gjort ett försök att rekonstruera resultaten från 1920. Detta är ingen färdig produkt i den meningen att den är komplett och felfri, men det är det bästa som hittills åstadskommits.

Frågan är om det någonsin kommer att lyckas få fram de fullständiga resultaten. De SOF-medlemmar som hittar fel eller som har kompletteringar att göra, tveka inte att påtala detta, muntligen eller skriftligen till SOF's ordförande eller vice ordförande. Tillsammans skall vi förhoppningsvis kunna åstadkomma en ännu bättre resultatsammanställning för OS 1920!
